

Dear Students,

Congratulations! You have been nominated for membership in Beta Beta Beta Biological Society (TriBeta) based on your academic achievements at Gordon State College. You are invited to join as a regular member or associate member based on the selection criteria.

The purpose of Tri-Beta Biological Honor Society is a society of students, particularly for undergraduates. The society emphasizes a three-fold program: stimulation of scholarships, dissemination of scientific knowledge, and promotion of biological research. Its activities are designed to stimulate interest, scholarly attainment and investigation in the biological sciences, and to promote the dissemination of information and new interpretations among students of the life sciences, including mathematics, pre-pharmacy, computer sciences. Regular members should be students who met the requirements for membership in TriBeta as stated in the Constitution booklet, above 3.0 GPA

Since its inception in 1922, the Tri-Beta national honor society held Biennial national conventions of student and faculty members for presentation and publication of journal, BIOS. Awards are given for outstanding individual and chapter accomplishment.

Please fill out the following application form and return it, along with your club fees to Dr. Lee before March 10, 2017.

**Application for Membership in the  
Tau Alpha Tau Chapter of Beta Beta Beta  
Due No Later than March 10, 2017**

**Application Process**
